THE *Bordeaux* COLLECTION

We continually strive to redefine the fine wine market, be it in our quest for the next fine wine frontier, the next generation of wine buyers, or by connecting our customers with renowned châteaux through our pioneering project, **THE BORDEAUX COLLECTION**.

The Bordeaux Collection is a revolutionary partnership between Bibendum, several leading Bordeaux estates, and top negociant Compagnie Médocaine des Grands Crus. Why is it unique? We are **disrupting 400 years of tradition** to offer ready-to-drink expressions of the finest Bordeaux direct from châteaux cellars to your table. This means we can **offer back vintages from a château's own reserve to our customers**. There is no other partnership like this in the world. Bibendum customers have access to **a continuously evolving selection of over 60 mature wines with**

impeccable provenance, sourced directly from the leading lights of the region. This diverse range spans from Cru Bourgeois to First Growths, all offered at **exceptionally competitive prices**. The Collection also includes **a calendar of events, masterclasses and trips to the estates**.

Our experienced **fine wine team** takes immense pride in serving as a unique point of contact for flourishing relationships between producers and the On Trade, whether hosting **memorable wine dinners and events** or arranging **cellar trips**.
