

DEAKIN ESTATE SAUVIGNON BLANC 2006 75CL

Product ID:
14DEA13B2006

Vintage:
2006

Region:
SOUTH AUSTRALIA

Country of origin:
AUSTRALIA

Grape Varieties:
100% Sauvignon Blanc

Style:
CRISP DRY WHITE

Wine Maker:
Phil Spillman

Alcohol by vol:
12%

Tasting Notes:

Light, dry and zesty with gooseberry, lime and freshly cut grass on the nose and palate. Full of zippy, citrus acidity it races into a long, refreshing finish.

Producer Information:

Named after a former Aussie Prime Minister who oversaw the transformation of Victoria's Murray River region from arid, near desert into a major agricultural region, Deakin Estate was founded in the 1960s launching the current eponymous range in 1994. The Murray River region is one of Australia's warmer regions and this is reflected in the bold, fruity, forward style of the wines.

Product ID:
14DEA13B2006

Total Acidity:
6.2 g/l

Units Per Case:
6

Case Dimensions:
23.7x15.8x30

Regional Info:

The grapes are picked early to keep their acidity with winemaker Phil Spillman aiming to be "right on the edge of herbaceous, just moving in to sub-tropical. It's a brilliant, fresh and pungent place to be."

Bottle Barcode Type:
EAN

Bottle Barcode Number:
9313467058929

Case Barcode Number 6:
29313467058923

Case Dividers:
False

Outer Case Weight Empty:
276 g

Outer Case Weight Full:
7.776 kg

Vinification Details:

The key to the flavour of the wine is the grapes, and when they are harvested. The winemaking is simple, straightforward and aims at ensuring all of the fruit is captured in the bottle. The wine is fermented in temperature controlled stainless steel and bottled young and fresh with no oak influence.

Bottle Height:
29.7 cm

Bottle Diameter:
7.66 cm

Bottle Weight Empty:
500 g
