Green yellow colour, a fresh zesty, citrusy attack from the Colombard, the richer, weightier Chardonnay fills the middle palate and some oak on the finish adds a touch of sweetness and complexity to the finish.

Two on-trade exclusives from the team behind Deakin Estate, with all the depth of fruit and crowd pleasing style that this implies. We are particularly impressed with the quality winemaker Phil Spillmann has managed to get into the bottle this year, raising the bar even higher.
