
Big Smoke Cold Spark Pale Ale

Dangerously sessionable and very sensible at 3.6%. This easy-going addition to the Big Smoke Brew Co. range balances the sweetness of lactose and the big Citra hop flavours we love. Light malt body...

Tasting Note

Dangerously sessionable and very sensible at 3.6%. This easy-going addition to the Big Smoke Brew Co. range balances the sweetness of lactose and the big Citra hop flavours we love. Light malt body with an aroma and flavour of bright lemon and grapefruit.
