

Birrificio Angelo Poretti, NRB

Birrificio Angelo Poretti is a full-flavoured lager with a higher level of bitterness that is the norm for a world lager brand. This bitterness ignites your appetite and enhances flavours of food,...

Tasting Note

Birrificio Angelo Poretti is a full-flavoured lager with a higher level of bitterness that is the norm for a world lager brand. This bitterness ignites your appetite and enhances flavours of food, bitterness is a traditional flavour profile that the Italians have taken advantage of for hundreds of years to elevate dining experiences.
