

Wolf Rock Red IPA, NRB

Wolf Rock pays homage to both the old and new world IPAs using US hops to give the wonderful aromas and bitterness you'd expect from a new world IPA but complemented with delicious malty notes...

Tasting Note

Wolf Rock pays homage to both the old and new world IPAs using US hops to give the wonderful aromas and bitterness you'd expect from a new world IPA but complemented with delicious malty notes from specialty British malts typical of the original British IPA style. Taste: full ripe sweetness, citrus.
