

Lanson Black Label Brut NV

A young, lively style of non-vintage which has an attractive lemon fruit character, coupled with a slightly biscuity aroma. Made from grapes sourced exclusively from Premier and Grand Cru vineyards....

Tasting Note

A young, lively style of non-vintage which has an attractive lemon fruit character, coupled with a slightly biscuity aroma. Made from grapes sourced exclusively from Premier and Grand Cru vineyards. Lanson are one of the few houses which do not use any malolactic fermentation of the still wine. The result is a wine with great ability to age and improve in bottle.
