

Moët & Chandon Ice Impérial NV

Moët Ice Impérial is the first champagne especially created to be enjoyed over ice. A new champagne experience combining fun, fresh and free spirit while remaining true to the Moët & Chandon style.

Tasting Note

Moët Ice Impérial is the first champagne especially created to be enjoyed over ice. A new champagne experience combining fun, fresh and free spirit while remaining true to the Moët & Chandon style. Ice Impérial has powerful aroma of mango and guava with sumptuous stonefruits. A voluptuous fresh fruit salad flavour combines with sweetness of caramel and quince on the palate followed by a refreshing acidity of grapefruit and ginger.
