

Moët & Chandon Ice Impérial NV

MOĒT & CHANDON

Moët Ice Impérial is the first champagne especially created to be enjoyed over ice. A new champagne experience combining fun, fresh and free spirit while remaining true to the Moët...

Tasting Note

Moët Ice Impérial is the first champagne especially created to be enjoyed over ice. A new champagne experience combining fun, fresh and free spirit while remaining true to the Moët & Chandon style. Ice Impérial has powerful aroma of mango and guava with sumptuous stonefruits. A voluptuous fresh fruit salad flavour combines with sweetness of caramel and quince on the palate followed by a refreshing acidity of grapefruit and ginger.
