

Taittinger Nocturne Sec

Match Champagnes with a touch more sweetness with light desserts or salty and sweet-edged savoury dishes.

Tasting Note

The perfect accompaniment to afternoon tea, Taittinger Nocturne enjoys an additional dosage of sugar (20g / litre Vs 10g / litre for the Brut) which gives a richer texture without being as sweet as a demi-sec. The grapes come from 40 different premium vineyards which facilitate year on year consistency. The finish on the palate is mellow, soft and with flavours of apple and apricot pastries.
