

Perrier-Jouët Belle Epoque Brut

<p> Vintage Champagnes take on the fuller flavours of rich seafood, creamy sauces and wild mushrooms brilliantly. </p>

Tasting Note

The famous Emile Gallé designed Art Nouveau bottle with its painted anemones has to be one of the most beautiful presentations on the market. The equally impressive contents have the classic elegance and finesse of great Champagne. Made from a blend of approximately 50% Chardonnay, 45% Pinot Noir and 5% Pinot Meunier sourced from top vineyard sites such as Cramant, aged for a minimum of five years, usually much longer, prior to release.
