Only 7 Crus are used to make Pommery Brut Millésimé Grand Cru. Each year after the grape harvest, the cellar master determines whether the year is worthy of a Pommery Brut...

## Tasting Note

Only 7 Crus are used to make Pommery Brut Millésimé Grand Cru. Each year after the grape harvest, the cellar master determines whether the year is worthy of a Pommery Brut Millésimé Grand Cru. If he decides that it is, he must work meticulously to preserve the subtlety and freshness that exemplifies the Pommery style by blending full wines produced during very sunny years.

## Full breakdown

Product Code: 00071632  
Country: France  
Region: Champagne
