

Brewdog LoneWolf Peach & Passion Fruit Gin

We rejected 39 different Junipers before we landed the ultimate berry – which comes all the way from Tuscany to our state-of-the-art distillery in Ellon. Here we blend it with juicy white peach, sweet...

Tasting Note

We rejected 39 different Junipers before we landed the ultimate berry – which comes all the way from Tuscany to our state-of-the-art distillery in Ellon. Here we blend it with juicy white peach, sweet passion fruit and a hint of Yuzu's citrus sharpness and distil it in the smallest batches – for a crisp taste we've combed the earth for.
