

Half Hitch Gin

An exquisitely exotic-tasting yet quintessentially British gin. Key botanicals of bergamot, black tea, pepper, hay and English wood. An uplifting, aromatic nose with hits of light citrus, followed by...

Tasting Note

An exquisitely exotic-tasting yet quintessentially British gin. Key botanicals of bergamot, black tea, pepper, hay and English wood. An uplifting, aromatic nose with hits of light citrus, followed by a spicy underpinning of fresh cracked pepper and cool juniper. Finished with smooth, rich black tea and touches of woody spice.
