

Hoxton Pink Gin 50cl

Clear pink colour with a hint of orange. On the nose there's a lovely mixture of the floral character of roses backed by the firm tannin of tea. In the mouth it is just off-dry, with a lovely...

Tasting Note

Clear pink colour with a hint of orange. On the nose there's a lovely mixture of the floral character of roses backed by the firm tannin of tea. In the mouth it is just off-dry, with a lovely balance between the sweetness and rose perfume on one hand, with the sharpness of citrus and the grip of tannin from the gunpowder tea.
