Crème de Cassis de Dijon, the flagship of Briottet's production, is produced exclusively from the blackcurrant variety 'Noir de Bourgogne'. After macerating the fruit in alcohol for two...

## Tasting Note

Crème de Cassis de Dijon, the flagship of Briottet's production, is produced exclusively from the blackcurrant variety 'Noir de Bourgogne'. After macerating the fruit in alcohol for two months a colourful aromatic juice is obtained which releases the full flavour of the famous little berry
