

Briottet Liqueur de Fruits de la Passion

"These are some of the most highly regarded liqueurs by bartenders and restaurateurs worldwide and are of superb quality. The Passion Fruit is derived from the Passiflora vine native to Paraguay,...

Tasting Note

"These are some of the most highly regarded liqueurs by bartenders and restaurateurs worldwide and are of superb quality. The Passion Fruit is derived from the Passiflora vine native to Paraguay, Brazil and northeastern Argentina. It makes a great liqueur and can be served all sorts of cocktails or just over ice. "
