

June Wild Peach and Summer Fruits Gin Liqueur

Inspired by G?Vine ? which serves as its gin base ? June is a delicate and elegant gin liqueur softened by wild peach and summer fruits. And it is easy to use: a splash of sparkling water is enough to...

Tasting Note

Inspired by G?Vine ? which serves as its gin base ? June is a delicate and elegant gin liqueur softened by wild peach and summer fruits. And it is easy to use: a splash of sparkling water is enough to make its flavours and its wonderful texture pop. Champagne is also a great choice for those extra special moments!
