

Monin Grenadine Syrup

MONIN Grenadine syrup presents a flavour of red berries with a touch of vanilla and a bright red colour to enhance nonalcoholic beverages, cocktails and even desserts, marinades, and several other...

Tasting Note

MONIN Grenadine syrup presents a flavour of red berries with a touch of vanilla and a bright red colour to enhance nonalcoholic beverages, cocktails and even desserts, marinades, and several other recipes. Grenadine is by far the most common and versatile sweetener and flavouring in classic bar mixology.
