

Goslings Black Seal Rum

Gosling's is a 7th generation family run business dating back to 1803. Originally a British wine merchant now based in Bermuda. Goslings Black Seal is named so due to the black wax that was used...

Tasting Note

Gosling's is a 7th generation family run business dating back to 1803. Originally a British wine merchant now based in Bermuda. Goslings Black Seal is named so due to the black wax that was used to seal the old champagne bottles it was once sold in. Rich, intricate flavour with butterscotch, vanilla and caramel.
