

Hoxton Banana Rum

Fresh banana is macerated for five weeks in the finest hand-selected Caribbean rums. On the nose, there is a distinct molasses rum character backed up by gentle banana. While on the palate the banana...

Tasting Note

Fresh banana is macerated for five weeks in the finest hand-selected Caribbean rums. On the nose, there is a distinct molasses rum character backed up by gentle banana. While on the palate the banana comes very much to the fore, and lingers on the finish with a smooth, just off-dry tropical fruit and spirit note.
