

Pampero Blanco Rum

Blanco is an aged rum, made from a blend of traditional white rum aged for up to 4 years. Unlike most white rums, distilled in column stills, the heavier rums of the Blanco blend are distilled in...

Tasting Note

Blanco is an aged rum, made from a blend of traditional white rum aged for up to 4 years. Unlike most white rums, distilled in column stills, the heavier rums of the Blanco blend are distilled in traditional copper stills, used elsewhere for scotch. Enjoy as a base for delicate rum cocktails and long drinks such as a Mojito.
