
Plantation Isle of Fiji Rum

This colourful bottling is Plantation's homage to the Fiji Islands. Distilled from Fijian molasses, it's initially aged for around three years in the tropical climate in bourbon casks, before...

Tasting Note

This colourful bottling is Plantation's homage to the Fiji Islands. Distilled from Fijian molasses, it's initially aged for around three years in the tropical climate in bourbon casks, before it's sent over to France for a secondary maturation in French oak for a year. A spicy, creamy and tropical affair
