

Eager Light Tonic

Eager “Cold Brewed” light tonic water is made with carbonated water, cane sugar, natural botanicals extracts, citric acid, natural flavourings including quinine, sea salt, antioxidant and ascorbic...

Tasting Note

Eager “Cold Brewed” light tonic water is made with carbonated water, cane sugar, natural botanicals extracts, citric acid, natural flavourings including quinine, sea salt, antioxidant and ascorbic acid. With a mere 14kcal per 100ml, it's flavour is also restrained being pure quinine without the strong lemon notes or sweeteners.
