

Mezcal Monte Alban

Monte Alban is the authentic Mexican spirit distilled from the agave plant in the centuries-old tradition and technique. The worms live in the agave and one is added to each bottle. Legend says that...

Tasting Note

Monte Alban is the authentic Mexican spirit distilled from the agave plant in the centuries-old tradition and technique. The worms live in the agave and one is added to each bottle. Legend says that the worm gives strength to anyone brave enough to eat and some even believe it acts as an aphrodisiac.
