

Olmecca Silver 35%

Olmecca Silver is a high-quality mixto tequila with a unique production process that combines hand picked agave plants, masonry oven, cultivated yeast and distillation in copper pot stills. The aroma...

Tasting Note

Olmecca Silver is a high-quality mixto tequila with a unique production process that combines hand picked agave plants, masonry oven, cultivated yeast and distillation in copper pot stills. The aroma is fresh herbal notes, complemented by green pepper and with a soft citric finish. On the palate it is sweet and slightly smoky with a honey flavour.
