

Brewdog Seven Day Vodka Original

Triple bubble copper pot stills didn't exist when we started making vodka. So we built one, to make the purest vodka possible. After four days of triple bubble distillation, our crystal clear spirit...

Tasting Note

Triple bubble copper pot stills didn't exist when we started making vodka. So we built one, to make the purest vodka possible. After four days of triple bubble distillation, our crystal clear spirit vapor then climbs a purification column so high, we had to rebuild our roof around it. Crisp and clean, with subtle notes of icing sugar and vanilla.
