

# Cariel Vanilla Vodka

As it is not a line extension of a neutral vodka, Cariel's only aim is to offer the best vanilla vodka in the world. Cariel's colour is an extremely light golden hue from natural vanilla with...

## Tasting Note

As it is not a line extension of a neutral vodka, Cariel's only aim is to offer the best vanilla vodka in the world. Cariel's colour is an extremely light golden hue from natural vanilla with a powerful nose and tantalisingly flowery vanilla with a hint of burned hazelnut and a moderate sweet aftertaste.
