

Cariel Vanilla Vodka

As it is not a line extension of a neutral vodka, Cariel's only aim is to offer the best vanilla vodka in the world. Cariel's colour is an extremely light golden hue from natural vanilla with...

Tasting Note

As it is not a line extension of a neutral vodka, Cariel's only aim is to offer the best vanilla vodka in the world. Cariel's colour is an extremely light golden hue from natural vanilla with a powerful nose and tantalisingly flowery vanilla with a hint of burned hazelnut and a moderate sweet aftertaste.
