Tasting Note

Chase Vodka is the first and only British Potato Vodka. Created using traditional artisan methods that a distiller of over 100 years ago would recognise in bespoke copper batch pot stills and unique 70 foot rectification column (the tallest in Europe). The result is a really pure vodka that is beautifully smooth with a naturally sweet and creamy taste. Great served neat, straight from the freezer.

Full breakdown

Product Code: 00023839
Country: England
ABV: 40%
Bottle Size: 70cl
