

Eristoff Vodka

Made from 100% pure grain, which contains just the right level of moisture and pure character and demineralised water, Eristoff is triple distilled and finally charcoal filtered to ensure absolute...

Tasting Note

Made from 100% pure grain, which contains just the right level of moisture and pure character and demineralised water, Eristoff is triple distilled and finally charcoal filtered to ensure absolute purity, to create a clean and crisp taste. With a slight hint of liquorice and green apple this awarded vodka leaves you with a smooth, creamy aftertaste.
