

Grey Goose Le Citron

Produced in small batches under the watchful eye of the Master Distiller. Grey Goose is blended with water which is naturally purified through Champagne limestone from the Gentes springs in Cognac....

Tasting Note

Produced in small batches under the watchful eye of the Master Distiller. Grey Goose is blended with water which is naturally purified through Champagne limestone from the Gentes springs in Cognac. Bright on the nose, suggestive of ripe lemon zest with hint of sweetness. A clean palate with fresh lemon notes and a subtle fruitiness.
