

Helix 7 Vodka

Helix 7 Vodka sources the highest quality wheat from the Champagne region of France; the result is a premium spirit of unsurpassed character. This spirit then undergoes a series of filtration steps...

Tasting Note

Helix 7 Vodka sources the highest quality wheat from the Champagne region of France; the result is a premium spirit of unsurpassed character. This spirit then undergoes a series of filtration steps and is blended with pure Icelandic water, which has a very low mineral content and high alkaline level; ensuring Helix 7 Vodka a clean, crisp taste.
