

Sapling Vodka

A British wheat vodka, with a note of pepper at the beginning and a hint of natural vanilla sweetness at the end, due to the high starch content wheat used to ferment. Very smooth, with a gentle oily...

Tasting Note

A British wheat vodka, with a note of pepper at the beginning and a hint of natural vanilla sweetness at the end, due to the high starch content wheat used to ferment. Very smooth, with a gentle oily texture often drunk neat and perfect for a martini. Four times distilled and charcoal filtered.
