

Ardbeg 10 Year Old Malt

Ardbeg 10 Year Old is known as one of the peatiest, smokiest and most complex single malt whiskies. Yet it does not flaunt the peat; rather it gives way to the natural sweetness of the malt to produce...

Tasting Note

Ardbeg 10 Year Old is known as one of the peatiest, smokiest and most complex single malt whiskies. Yet it does not flaunt the peat; rather it gives way to the natural sweetness of the malt to produce a whisky of perfect balance. Ardbeg is non chill-filtered and has a strength of 46% ABV, thus retaining maximum flavour and giving more body and added depth.
