

Dalwhinnie 15 Years Old Single Malt Scotch Whisky

Dalwhinnie is produced in the highest working distillery in Scotland at an altitude of 1,173ft, with stream water from mountain lochs. It is a perfect Highland Single Malt Scotch whisky with a...

Tasting Note

Dalwhinnie is produced in the highest working distillery in Scotland at an altitude of 1,173ft, with stream water from mountain lochs. It is a perfect Highland Single Malt Scotch whisky with a marriage of speyside heather-honey sweetness and lowland intensity. The clean, heather flavours call for a neat serve, and perhaps a little still water.
