

Fettercairn 50 Year Old (Allocated)

"OUR UNIQUE COOLING RING In the mid-1950s, the whisky-makers at Fettercairn experimented, seeking ways to create a purer expression of their spirit. They found that pouring water down the still...

Tasting Note

"OUR UNIQUE COOLING RING In the mid-1950s, the whisky-makers at Fettercairn experimented, seeking ways to create a purer expression of their spirit. They found that pouring water down the still cooled the copper, increasing condensation inside so only the lightest vapours could rise for collection."
