

Haig Club Clubman Single Grain Scotch Whisky

Distilled at Cameronbridge Distillery, founded in 1824 by John Haig, Haig Club Clubman is matured exclusively in Fresh Bourbon Casks which give a layer of wonderful sweet, vanilla and coconut flavour...

Tasting Note

Distilled at Cameronbridge Distillery, founded in 1824 by John Haig, Haig Club Clubman is matured exclusively in Fresh Bourbon Casks which give a layer of wonderful sweet, vanilla and coconut flavour to the Scotch. Perfectly served in a Clubman and Cola: the sweet, vanilla flavour of the scotch combines perfectly with the sweet caramel of Cola.
