

Laphroaig 10 Year Old

The original Laphroaig, distilled the same way today as when Ian Hunter invented it over 75 years ago. In making Laphroaig, malted barley is dried over a peat fire. The smoke from this peat, found...

Tasting Note

The original Laphroaig, distilled the same way today as when Ian Hunter invented it over 75 years ago. In making Laphroaig, malted barley is dried over a peat fire. The smoke from this peat, found only on Islay, gives Laphroaig its particularly rich flavour. A bold, smoky taste, followed by a hint of seaweed and a surprising sweetness.
