Tasting Note

Westland Peated represents a unique perspective on the world's oldest style of whiskey. While many peated whiskies follow the very traditional model of 100% peated malt, displaying a raw and heavy smoky character, Westland works to build on this tradition with new world sensibilities. They do this by introducing non-peated malts, most of which is grown locally in Washington State, in a ratio that actually outweighs the peated malt. The addition of the innovative five-malt spirit in each bottling brings a ba
