Les Fouchères is located in the South West corner of the Chambolle. A place combining the innate freshness of the area and the sweetness and maturity of the premiers crus proximity. A nice mineral...

## Tasting Note

Les Fouchères is located in the South West corner of the Chambolle. A place combining the innate freshness of the area and the sweetness and maturity of the premiers crus proximity. A nice mineral tension and clarity. A very careful winemaking approach with no punching down and just pump overs.

## Full breakdown
