

# Chateau de Sabazan St Mont Rouge 2014

In 1979 the three wine cooperatives of Plaisance, Aignan and Saint-Mont in the Gers joined forces and initials to set up a united group of cooperatives and vineyards under the name Plaimont

## Tasting Note

With its intense fruity, spicy aromas and silky tannins, the Château de Sabazan rouge pairs beautifully with slivers of local cured ham, or equally a prime rib of beef, a leg of lamb or fine cheeses.
