# Cotes du Roussillon Rouge Authentique Domaine Lafage

---

<p> Domaine Lafage has been growing grapes in Roussillon for six generations, but it was Jean-Marc Lafage who had the ambition to stop selling the grapes to the local co-op and create a domaine. </p>

This full bodied red wine has an intense fruity nose with an abundance of blackberries and cherries, violet, vanilla and liquorice. Rich and pleasantly structured, with an elegant finish.
