

# Fraser Gallop Estate Cabernet Merlot 2017

Set in 165 acres of pristine Wilyabrup countryside, all vines on the Fraser Gallop Estate are farmed dryland (unirrigated), cane pruned and the fruit is all picked by hand.

## Tasting Note

Bright crimson and ruby red hues with good density of colour. This wine has a bright aroma of dusty blackcurrants, plums and some violet floral notes. Its medium bodied palate has concentrated black brambly berry fruits with bright acidity and soft chalky tannins.

## Full breakdown
