
Gerard Bertrand Heritage Coteaux de Narbonne Red, Occitanie

Narbonne, the "first daughter" of Rome founded in 118 BC, exported its wines to Europe since ancient times. Its vineyards benefit from exceptional climate conditions and a limestone-clay...

Tasting Note

Narbonne, the "first daughter" of Rome founded in 118 BC, exported its wines to Europe since ancient times. Its vineyards benefit from exceptional climate conditions and a limestone-clay terroir that allow the grapes to ripe perfectly. Round and gourmet on the palate with beautiful fresh black fruit notes. Serve at 18°C.
