

Lunelli Carapace Montefalco Sagrantino DOCG

" The nose is a triumph of blackberry jam and blueberries – typical of the variety – with attractive and intense notes of cherries in brandy, carob and rose petals. Its traditionally-styled...

Tasting Note

"The nose is a triumph of blackberry jam and blueberries – typical of the variety – with attractive and intense notes of cherries in brandy, carob and rose petals. Its traditionally-styled profile is further enhanced by liquorice and chocolate notes. It has a distinct creaminess on the palate, along with very powerful, mellow fruit."
