<p> Situated in the heart of Niagara wine country, Stratus has quickly become one of the benchmarks for quality within the flourishing Canadian wine industry. </p>

Tasting Note

This wine has flavours of dark cherries, mocha and black plum, with hints of graphite and cigar box spice. The full and expressive palate is one of luscious black fruit with a serious depth of flavour. This intense and ripe fruit core is supported by chocolate-like tannins and assertive acidity, leading to a rewardingly savoury finish.
