

Château Climens Asphodele is totally atypical and will surprise more than one wine connoisseur. This wine offers a precise reading of the unique limestone terroir with its clayey red sands and its semillon, source of purity and elegance. An incredible texture in the mouth, a brilliant fresh and depth wine with a lot of character

### Tasting Note

Château Climens Asphodele is totally atypical and will surprise more than one wine connoisseur. This wine offers a precise reading of the unique limestone terroir with its clayey red sands and its semillon, source of purity and elegance.
