

The vines grow on white marly soil located on the lower reaches of the Auxey-Duresses hillsides as well as in the hamlet of Melin. Mineral tones shape the nose, which beyond a few years extends into nutty and buttery aromas. The initial taste has character and is buoyed by vanilla fragrances. Ideal accompaniment to fish, white meats and cheese.

Tasting Note

The vines grow on white marly soil located on the lower reaches of the Auxey-Duresses hillsides as well as in the hamlet of Melin. Mineral tones shape the nose, which beyond a few years extends into nutty and buttery aromas. The initial taste has character and is buoyed by vanilla fragrances.
