

The vines are all propped up by posts for greater sunlight exposure and grass is grown between the vine rows. The strong personality of these wines is always attenuated by the smoothness of the Chardonnay varietal. Their build exudes both elegance and body.

Tasting Note

The vines are all propped up by posts for greater sunlight exposure and grass is grown between the vine rows. The strong personality of these wines is always attenuated by the smoothness of the Chardonnay varietal. Their build exudes both elegance and body.
